

INDUSTRIAL WET AND DRY VACUUM ISS 40-M AUTOMATIC

Universal, construction-site-compatible safety vacuum cleaner with dust class M-certification and automatic filter cleaning

Dust class M Certification Guaranteed

Dust separation efficiency of 99.9% according to EN 60335-2-69
Storage and mounting option for Würth System Cases Flat container head
Accessories stored on the device and always at hand Integrated storage of the joint nozzle and tool sleeve with quick connections, flexible hose and mains cable storage

Ideal for use on construction sites

Robust containers with bumpers and large, stable metal rollers

Antistatic prepared

The earthed connection piece and the electrically conductive accessories included in the scope of supply are used to dissipate static surges and thus ensure reliable protection against electrostatic charging.

Easy operation and control of the various functions

On / off, 15 s / 60 s filter cleaning, speed control and hose selector switch

User-friendly operation in conjunction with Powertools socket with Hall sensor for automatic Powertool detection, so that the vacuum can be controlled via a connected power tool.

Automatic filter cleaning system

- The flatfold filter is automatically cleaned by air blast, depending on the time interval (15 or 60 seconds).
- Ensures a long uninterrupted work
- Low noise level
- Long filter life
- Low maintenance costs

Warranty

2 Years Warranty on manufacturing and material defects. Excluded are damages caused by improper use, overloading or failure to observe the operating instructions. The current WÜRTH MASTER warranty conditions must be observed.

Art.-No.	0701 143 0
Qty	1
Airstream	74 l/s
Negative pressure	23.7 kPa
Container capacity	39 l
Power max.	1380 W
Cable length	7.5 m

Lieferumfang Art.-Nr.	Description	Art.-No.	Qty
0701 143 0	Wet / dry filter bag fleece	0702 400 072	1
	PE disposal bag with spun bonded fabric	0702 400 074	1
	Flat folds filter coated	0702 400 191	1
	Universal sleeve, electrically conductive	0702 400 249	1
	Suction hose, electrically conductive 3m		1
	Crevice	0702 400 390	1
	2K elbow, electrically conductive	0702 400 730	1

Individually in a box

Field of use

! deal for dangerous dusts, e.g. Hardwood, board materials, color dust particles, ceramics, concrete and brick. No asbestos!

Available in fleet management ORSY fleet

INDUSTRIAL WET AND DRY VACUUM ISS 30-L AUTOMATIC

Category		Art.-No.	Description
Filters		0702 400 209	Paper bag
		0702 400 071	fleece filter
		0702 400 068	Special and wet filter bag
		0702 400 259	Cement filter
		0702 400 082	Dust filter
		0702 400 074	E-disposal bag with spun-fleece
Filter		0702 400 367	Flat folds for paper
		0702 400 191	Flat folds filter
Manifold		0702 400 731	Manifold Standard
		0702 400 730	Elbow electrically conductive
Jet		0702 400 037	Aluminum floor nozzle
		0702 400 284	Plastic floor nozzle 300mm
		0702 400 387	Combination
		0702 400 290	Plastic floor nozzle 360mm
		0702 400 233	Upholstery
		0702 400 390	Joint nozzle
		0702 400 386	Extra long nozzle
		0702 400 909	Car suction nozzle

Category		Art.-No.	Description
Brushes		0702 400 425	All-purpose brush with plastic bristles
		0702 400 426	All-purpose brush with natural bristles
Sleeves		0702 400 249	Universal connection cable
		0702 400 096	2-stage connection cable, pluggable
Brush		0702 400 427	Suction brush
Tube		0702 400 224	Plastic suction tube 0.5m long
		0702 400 520	Metal suction tube 0.55m long
Pipes		0702 400 310	3m suction pipe standard
		0702 400 312	4m suction pipe standard
