

WALL SLITTING CUTTER MSF 40

Extremely powerful wall slitting cutter with 1900 W motor, including two diamond cutting discs.

Fast and powerful work progress

The extremely powerful 1900 W drive with slip coupling provides fast and powerful work progress.

Tool-free depth adjustment

Clamping lever allows easy, tool-free depth adjustment and saves time.

Very rugged and anti-static

Die-cast aluminium cover ensures a high degree of robustness as well as anti-static properties.

Highly ergonomic and easy to handle

The column and bow handles ensure good ergonomics and optimum handling for horizontal and vertical work. The switch can be locked to provide support, making work more comfortable.

Accurate work

Additional rollers support lateral tilting effect and facilitate precise guidance of the machine.

Warranty

2 Years Warranty on manufacturing and material defects. Excluded are damages caused by improper use, overloading or failure to observe the operating instructions. The current WÜRTH MASTER warranty conditions must be observed.

Art. No.	0702 416 1
P. Qty.	1
Nominal voltage	230 V/AC
Power input	1900 W
Min./max. idle speed	0-8200 U/min(rpm)
Max. cutting disc diameter.	125 mm
Min./max. cutting depth	0-40 mm
Min./max. cutting width	0-35 mm
Weight of machine	3.9 kg
Cable length	4 m
