

REPLACEMENT HOSE LINES

Designation	Art. No.	P. Qty.
Low-pressure hose line with 1/4" SAE female thread (length: 3 m)	0764 000 601	1
High-pressure hose line with 1/4" SAE female thread (length: 3 m)	0764 000 602	
Low-pressure hose line with 3/8" SAE female thread (length: 3 m)	707 764 229	
High-pressure hose line with 3/8" SAE female thread (length: 3 m)	707 764 228	

ADAPTER

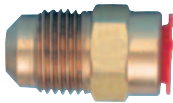

3/8" x 3/8" SAE male thread

Designation	Art. No.	P. Qty.
For extending the replacement hose lines with 3/8" SAE, female thread	0764 000 119	2

ADAPTER

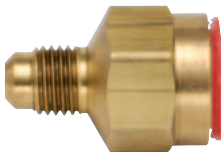

**1/4" SAE female thread –
3/8" SAE male thread**

Designation	Art. No.	P. Qty.
For adaptation between 1/4" SAE quick-action service couplings and service hoses of the Behr service units with 3/8" SAE connections	0764 000 008	1

ADAPTER

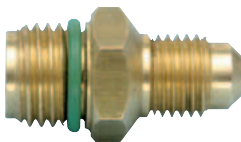

**1/4" SAE male thread –
3/8" SAE female thread**

Designation	Art. No.	P. Qty.
For adaptation between 1/4" SAE quick-action service couplings and service hoses of the Behr service units with 3/8" SAE connections	0764 000 057	1

ADAPTER

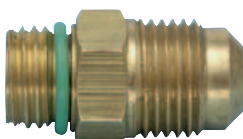

**M14 x 1.5 x 1/4"
SAE male thread**

Designation	Art. No.	P. Qty.
For adapting quick-action service couplings with M14 x 1.5 female thread to service hose lines with 1/4" SAE female thread	0764 000 038	1

ADAPTER

**M14 x 1.5 x 3/8"
SAE male thread**

Designation	Art. No.	P. Qty.
For adapting quick-action service couplings with M14 x 1.5 female thread to service hose lines with 3/8" SAE female thread	0764 000 039	1
