

Transparent single-pole voltage tester

With permanently integrated glow lamp and slotted screwdriver blade.

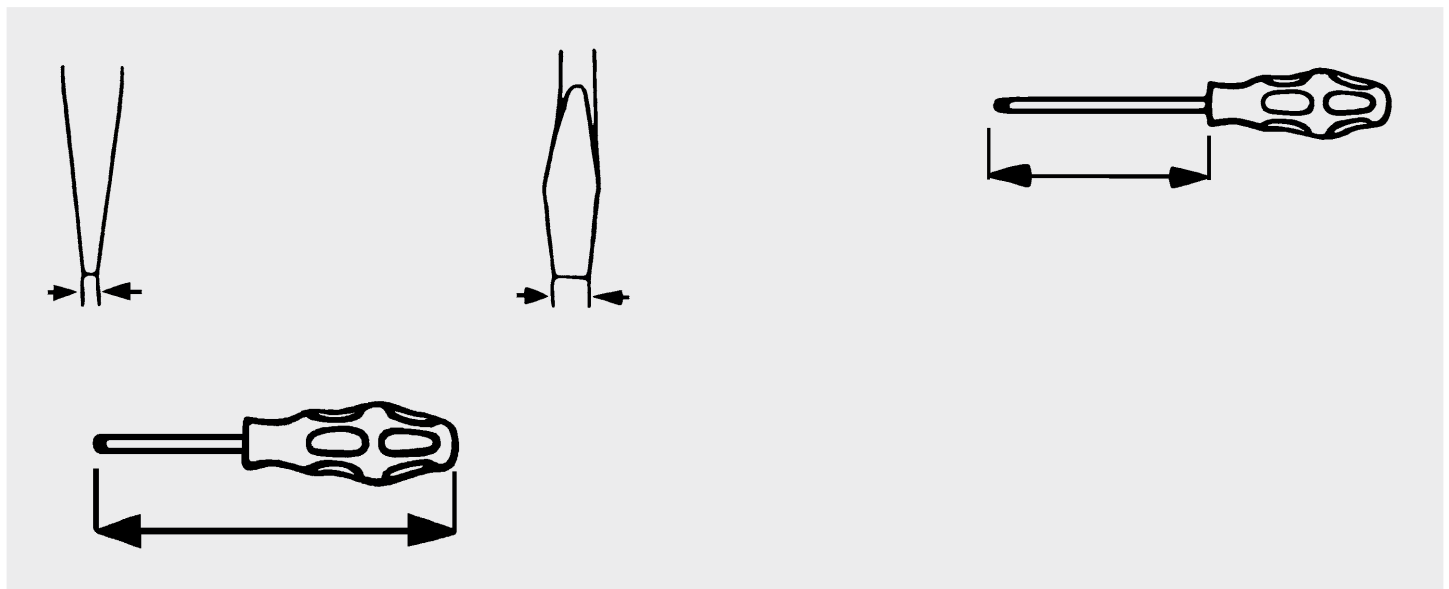

- With full safety insulation.
- Made in Germany.

Display	Glow lamp
Min./max. voltage range AC	120-250 V/AC
Overvoltage protection category	CAT III/300 V
Material of handle	SAN
Material of blade	C60 steel
Surface of the screwdriver blade	Zinc plated
Colour	Transparent, Red

Thickness of cutting edge x width of cutting edge	Blade length	Design	Length x width x depth	Art. no.	P. Qty.
0.5 x 3 mm	65 mm	With holding clip	140 x 15 x 15 mm	5634 002 001	1
0.6 x 3.5 mm	100 mm		190 x 17 x 17 mm	5634 002 003	1
