

Cordless drill driver BS 12-A Multi

Illustration only

More compact and extremely versatile cordless drill driver thanks to the five options available. Ideal for all light-duty drilling and screwing applications

Extremely versatile

- 10 mm auto-lock quick-action drill chuck
- The angle attachment can be adjusted in 16 ways (360°) without having to remove the attachment and can be combined easily with the other 3 attachments.
- The eccentric attachment can be adjusted in 16 ways (360°) without having to remove the attachment and with its integrated, lockable 1/4 inch universal bit holder, is suitable for simply chucking of all standard drill and screw-driver bits (E6+C6).

Simple chucking of all standard drill and screw-driver bits (E6+C6)

Lockable 1/4 inch universal bit holder

Convenient and effortless work, even with applications above head height and in confined or inaccessible areas

Compact, lightweight and ergonomic

Compatible with all 10.8-V and 12-V cordless system products

Warranty

2 Years Warranty on manufacturing and material defects. Excluded are damages caused by improper use, overloading or failure to observe the operating instructions.

2 Years Warranty on batteries. The current WÜRTH MASTER warranty conditions must be observed.
