

Cordless screwdriver AS 12 COMPACT M-CUBE®

Extremely compact and powerful cordless screwdriver for light drilling and screwdriving applications, which was developed by Würth according to the requirements of craftsmen.

- Comfortable and fatigue-free work, even for overhead applications and in tight spaces
- Compact, lightweight and ergonomic design. Slim handle and secure stand thanks to the battery sliding system
- Continuous monitoring of the motor, as the electronic motor protection function protects the motor in the event of blocking, overload and overload switches off heating prematurely
- 1/4 "universal bit holder
- Easy and safe clamping of all common drill and screwdriver bits (E6 + C6)
- LED light on the battery base ensures a well-lit work area

Warranty

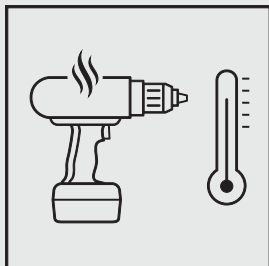

2 Years Warranty on manufacturing and material defects. Excluded are damages caused by improper use, overloading or failure to observe the operating instructions. 2 Years Warranty on batteries. The current WÜRTH MASTER warranty conditions must be observed.
