

Cordless application gun AKP 12 COMPACT M-CUBE

Illustration only

Very compact and handy cordless application gun for low- to medium-viscosity adhesives and sealants

- Standard for 310-ml cartridges, can also be used for 400-ml and 600-ml bags thanks to optional accessories
- Immediate decoupling of the push rod and automatic return prevents dripping/running of the sealant/adhesive
- Charge status display on the battery ensures continuous monitoring of the remaining battery capacity.

Type description	12 V CAULKING GUN
Nominal voltage	12 V/DC
Pressing force	1780 N
Weight of machine with rechargeable battery	2.1 kg
