

## Cordless sabre saw AFS 18 COMPACT M-CUBE

Illustration only

### Powerful and robust cordless sabre saw

- Built-in overload and overtemperature protection functions protect the power tool from excessive stress
- Long service life of the motor: Efficient, low-maintenance, brushless EC motor with power reserves
- Cover grates over the ventilation slots provide additional protection against chips
- Safe working is assured, as the power tool can only be started up after it has been unlocked
- Pendulum action can be switched off and on via an adjusting wheel
- Soft handle ensures a comfortable, non-slip grip

### 2-year Würth power tool guarantee on wear and tear damages and replacement of batteries and chargers.

The guarantee is subject to the current terms and conditions, which must be followed.

### 2 Years Warranty on manufacturing and material defects

Excluded are damages caused by improper use, overloading or failure to observe the operating instructions.
