

ABS18 SUBCOMPACT M-CUBE cordless drill/driver PROMO EDITION

Highly compact and powerful cordless drill/driver with M-CLICK quick-change system for light- and medium-duty screwing and drilling tasks, delivered in a robust tool bag with plenty of storage space

- Würth M-CLICK drilling spindle for quickly changing the various drilling attachments and socket heads on the M-CLICK and M-CLICK+ systems without tools, ensuring flexibility and versatility
- Spindle with 1/4-inch hexagon socket enables the insertion of C 6.3 and E 6.3 bits without a drill chuck
- Pleasant, effortless work thanks to the compact, ergonomic and lightweight design
- Threaded bushings on the left and right of the device's base enable the optional attachment of accessories such as belt hooks or bit holders
- Efficient and brushless motor with overload protection function
- The LED light on the battery block ensures a well-lit work area
- Tool bag made of high-quality polyester with document pocket, shoulder strap and watertight plastic base shell. Offers plenty of space for the drill/driver as well as accessories, hand tools, consumables etc.
