

Cordless power tool bag set ABS/ABH/AWS M-CUBE W-CONNECT

Consisting of three power tools including bag

All units have continuous motor monitoring and a long motor service life:

- The electronic motor protection function switches the motor off prematurely in the event of blockage, overloading or overheating
- Efficient, low-maintenance, brushless EC motor with power reserves, maintains a more stable speed curve even under load

ABS 18 COMPACT M-CUBE

Maximum service life and low wear due to the 13 mm Röhmmetal drill chuck with soldered carbide clamping jaws.

ABH 18 COMPACT M-CUBE

Comfortable, effortless working due to the compact and ergonomic design with anti-vibration handle.

AWS 18 COMPACT M-CUBE

Safe working due to the dead man's switch and brake function, which ensure that the disc stops quickly when the switch is released.

2-year Würth power tool guarantee on wear and tear damages and replacement of batteries and chargers.

The guarantee is subject to the current terms and conditions, which must be followed.

2 Years Warranty on manufacturing and material defects

Excluded are damages caused by improper use, overloading or failure to observe the operating instructions.

Number of pieces in assortment/set	10 PCS
Length x width x height	480 x 290 x 340 mm
