

Angle grinder EWS 7-125 BASIC

Powerful 720 W angle grinder with a 125 mm safety guard. Ideal for simple grinding and cutting.

Lightweight and easy to handle

With the smallest grip size in its power range (176 mm) and weighing just 1.8 kg, the angle grinder rests comfortably in your hand, even over longer periods.

Small drive head

Thanks to the small drive head, even difficult-to-reach areas are entirely accessible.

Longer service life

The specially developed air vents cool the motor down optimally. The carbon brushes with automatic cut-out function protect the motor and ensure a longer service life.

Anti-twist protective hood

Provides a high degree of protection for the user.

2 Years WÜRTH MASTERPLUS Warranty for wear damage

The current WÜRTH MASTERPLUS warranty conditions must be observed.

Art. no. 5707 015 0

P. Qty.: 1

Individually boxed.

Nominal voltage	230 V/AC
Min./max. frequency	50/60 Hz
Protection class	Protection class II/protective insulation
Power input	750 W
Max. idle speed	11500 rpm
Max. cutting disc diameter.	125 mm
Thread type x spindle-thread diameter	M14
Weight of machine	1.8 kg
Cable length	4 m
Functions	Restarting protection
