

ELECTRICAL ORBITAL SANDER

Additional extraction through side extraction ducts on the Velcro sanding plate for clean working.

The universal ribbed extractor connection provides a better grip when an external vacuum cleaner is connected.

Application:

Sanding of wood, plaster, plastic, non-ferrous metals, steel plating, etc.

Scope of delivery:		
Designation	Art. No.	P. Qty.
ESS 115-2 orbital sander	5707 700 X	1
Sanding plate with Velcro connection	5807 700 041	1
Additional handle	0708 128 023	1
Dust collection cassette with folding filter	5807 700 020	1

Technical Data:	
Voltage	230 V / 50 Hz
Protection Class	□ / II
Idling oscillation rate	8,400 - 22,000 rpm
Load suspension coefficient	17,000 rpm
Power consumption	350 W
Output	180 W
Velcro sandpaper, 10 holes	230 x 115 mm
Orbital circle	2.2 mm
Connection cable	4 m
L x W	372 x 114 mm
Weight	Approx. 2.7 kg

Matching abrasive paper		
	Color/design	Velcro paper 230 x 115 mm
	yellow/wood	0581 485 ...
	brown/wood ZEBRA®	0583 585 ...
	gray/wood, painted ZEBRA®	0581 132 ...
	SAHARA® / car	0581 315 ...

Handy orbital sander with universal clamping system for securing Velcro abrasive paper measuring 230 x 115 mm and with 10 holes. Also for clamping abrasive paper without an adhesion system.

ESS 115-2
Art. No. 5707 700 0

Excellent sanding pattern

- Low-vibration and durable orbital system.
- Achieves perfect sanding results almost without sanding grooves.

Robust clamping system for flexible applications

- Universal clamping system allows sandpapers to be used with and without Velcro.
- Abrasives up to 10 mm thick can be used.

Integrated dust extraction.

- Easy-to-empty dust collection cassette.
- Self-extraction and washable Polyester filter.

Warranty

2 Years Warranty on manufacturing and material defects. Excluded are damages caused by improper use, overloading or failure to observe the operating instructions. The current WÜRTH MASTER warranty conditions must be observed.

Attention:

Hazardous dusts (e.g. wood and paint dust) must be extracted by a vacuum with dust class M approval. The ISS 45-M automatic industrial wet and dry vacuum cleaner, Art. 0701 146 0, is suitable for extracting these dusts.

Order together:

The adapter is for use with the Würth industrial wet and dry vacuum cleaners.
