

Concrete grinder EBS 125-E

Powerful 1700 watt concrete grinder for grinding and removing concrete, screed and coatings on hard substrates

High productivity

Powerful 1700 watts yet low weight

Enables work suitable for materials and close to edges

The speed control enables speeds suitable for materials, which remain constant even under load. The expanding segment enables work close to edges and walls.

Dust-free system

The spring-loaded brush rim on the protective hood adapts to any surface and segment height, ensuring efficient suction in combination with the suction hood and connected suction unit.

Optimum handling of the machine

Ergonomic bow handle for secure and even guidance during grinding

Restarting protection

The restarting protection prevents an unintentional start-up after a power interruption.

2-year Würth power tool guarantee on wear and tear damages.

The guarantee is subject to the current terms and conditions, which must be followed.

2 Years Warranty on manufacturing and material defects

Excluded are damages caused by improper use, overloading or failure to observe the operating instructions.

Nominal voltage	230 V/AC
Frequency	50 Hz
Protection class	Protection class II/protective insulation
Power input	1700 W
Power output	950 W
Min. idle speed	2200 rpm
Max. idle speed	8500 rpm
Max. torque	6 Nm
Weight of machine	4.8 kg
Cable length	4 m
WEEE (taking back waste electrical and electronic equipment)	5
Sound-pressure level	93 dB
RoHS-compliant	Yes

Art. no. 5707 701 1

P. Qty.: 1

Details/Application

Notice

Only for use with vacuum cleaners of dust class M.

Contents for art. no. 5707 701 1

Designation	Art. no.	Quantity
Long-life & Speed diamond cup wheel for hard material 125 mm	0666 501 125	1
Clamping nut	0708 445 031	1
Double-headed wrench		1
Case insert for MASTER/M-CUBE power tools TZE for EBS 125-E	5807 701 995	1
System case 8.4.3 500 x 380 x 195 mm	5581 012 000	1
