

Random orbital sander ETS 150-5.0-E POWER

Small, practical yet very powerful random orbital sander, with an orbital circle of 5 mm

- High efficiency thanks to the brushless EC motor with higher level of efficiency and longer service life
- Low-vibration work and strong vibration absorption due to optimal ergonomics and special balancing
- Ergonomically designed, practical handle with soft grip insert ensures a secure grip and good guidance
- Optimum setting, as the material-compatible grinding speed can be adjustably set for each application
- Effective integrated dust extraction for dust-free work with PES filter cartridge
- Compatible with the Würth suction system; with the supplied adapter, it is possible to connect to the Würth suction unit
- Especially for grinding work on wood and paint, but also metal
