

Dry abrasive paper disc wood KP perfect

For pre-sanding untreated softwood and hard-wood, MDF, OSB (oriented strand board), veneered panels and plywood.

Optimal material removal and long service life when used for pre-sanding and dust-free work

Significantly improved dust extraction thanks to the multi-hole design

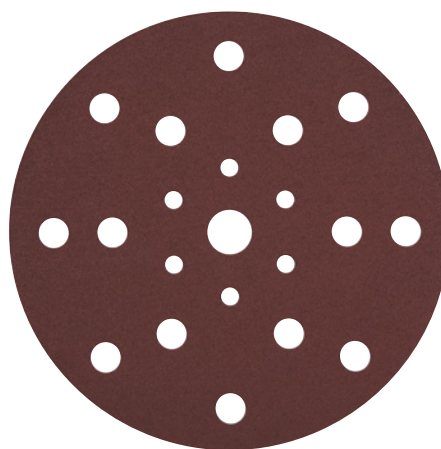

Illustration only

Form	Washer
Adhesive system	Hook and loop
Material of abrasive medium	Aluminium oxide (white corundum)

Diameter (Ø)	Grid size	Hole pattern	Suitable machines	Art. no.	P. Qty.
125 mm	P40	Multiple perforations	Random orbit sander D 125	0583 352 004	50
125 mm	P60	Multiple perforations	Random orbit sander D 125	0583 352 006	50
125 mm	P80	Multiple perforations	Random orbit sander D 125	0583 352 008	50
125 mm	P100	Multiple perforations	Random orbit sander D 125	0583 352 010	50
125 mm	P120	Multiple perforations	Random orbit sander D 125	0583 352 012	100
125 mm	P150	Multiple perforations	Random orbit sander D 125	0583 352 015	100
125 mm	P180	Multiple perforations	Random orbit sander D 125	0583 352 018	100
125 mm	P220	Multiple perforations	Random orbit sander D 125	0583 352 022	100
125 mm	P240	Multiple perforations	Random orbit sander D 125	0583 352 024	100
150 mm	P40	Multiple perforations	Random orbit sander D 150	0583 353 004	50
150 mm	P60	Multiple perforations	Random orbit sander D 150	0583 353 006	50
150 mm	P80	Multiple perforations	Random orbit sander D 150	0583 353 008	50
150 mm	P100	Multiple perforations	Random orbit sander D 150	0583 353 010	50
150 mm	P120	Multiple perforations	Random orbit sander D 150	0583 353 012	100

Notice

The non-perforated discs (art. no. 0583550*) are also suitable for edge sanders.
