

## Dry vacuum cleaner TSS 12 COMPACT

### Powerful, compact vacuum cleaner for professional dry building cleaning applications

- Powerful and quiet 62 dB (A) dry vacuum cleaner for use in volume-sensitive areas, even during business hours.
- Highly compact thanks to the convenient suction tube holder, which provides easy and space-saving storage of the suction tube and floor nozzle on the appliance
- High mobility thanks to the two rubber wheels and the two steering rollers
- Very secure against tipping thanks to the low centre of gravity
- The 12-m mains cable can be wound simply and cleanly around the turbine head or hung from the fold-down cable hook
- The integrated socket allows the electric suction brush ESB 280 to be connected, which can be used to increase the cleaning effect of the vacuum further

### 2 Years WÜRTH MASTERPLUS Warranty for wear damage

The current WÜRTH MASTERPLUS warranty conditions must be observed.

Excluded are damages caused by improper use, overloading or failure to observe the operating instructions.
