

SEG 10 COMPACT spray extraction device

Powerful spray extraction device for cleaning upholstery and for removing stains on carpet surfaces

- Excellent water extraction results: extremely low residual moisture after cleaning, meaning cleaned upholstery and carpets can be used again
- Ideal for cleaning upholstery and vehicle interiors
- Constant control of the cleaning process and the water extraction performance thanks to the large transparent lid
- A practical carry handle and holders for the cord and nozzle ensure easy transport
- Compact, space-saving design

2 Years WÜRTH MASTERPLUS Warranty for wear damage

The current WÜRTH MASTERPLUS warranty conditions must be observed. Excluded are damages caused by improper use, overloading or failure to observe the operating instructions.

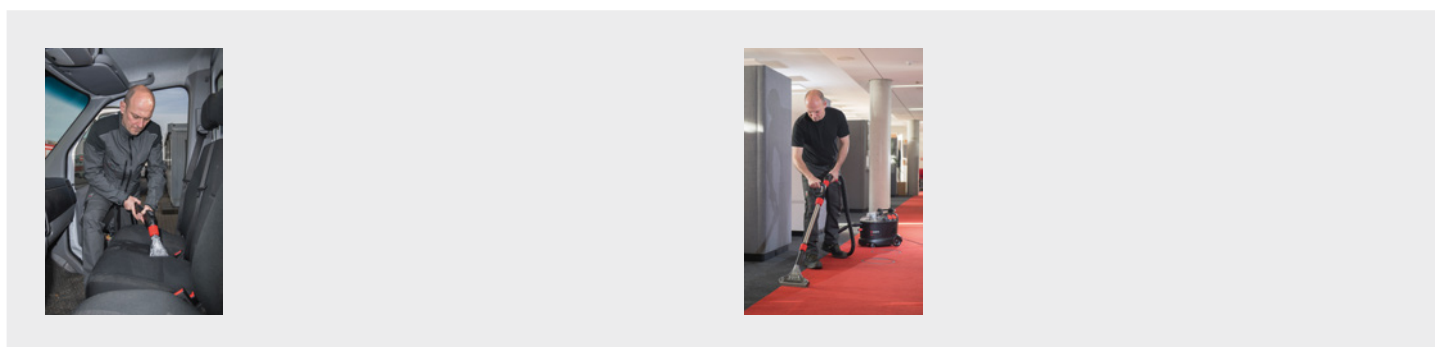

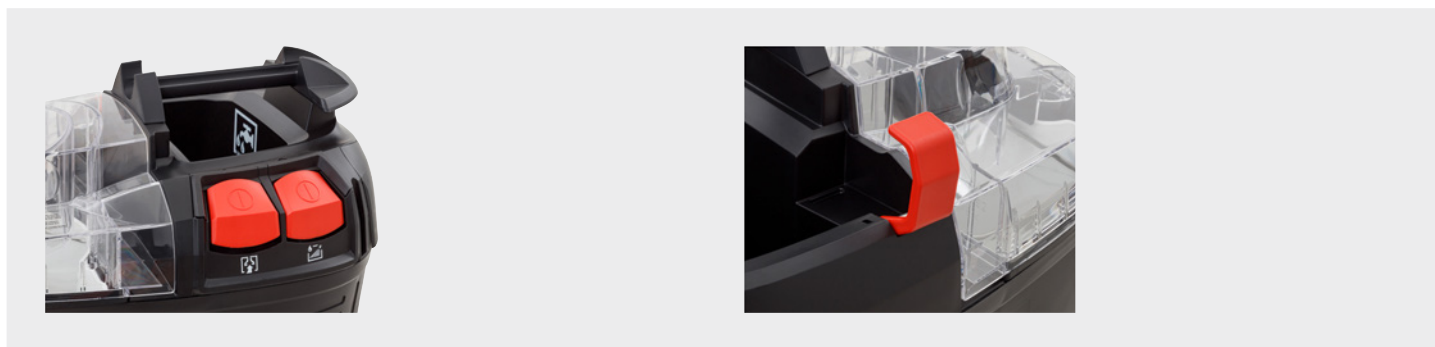

Art. no. 0701 114 000

P. Qty.: 1

Nominal voltage	230 V
Motor output	1380 W
Flow capacity	1 l/min
Underpressure	273 mbar
Fresh water tank	8 l
Dirty water tank	7 l
Max. cleaning solution	40 °C
Length	575 mm
Width	330 mm
Height	445 mm

Details/Application

Primarily for cleaning upholstery, but also suitable for removing stains on small areas of carpet. Can also be used on larger areas in conjunction with optional floor nozzle (art. no. 0701111005).

Notice

To ensure proper extraction, the nozzle must be moved horizontally along the floor or upholstery.
