Cordless LED hand-held lamp WLH 1.4

Hand-held lamp with 6x SMD LEDs, magnet, rotating and foldable hook

Perfect lighting

- Easy suspension of the light thanks to the 360° rotating and folding plastic hook
- Flexible attachment to all metallic surfaces due to a strong magnet in the base of the lamp
- Ideal for illuminating a working environment due to its main light with 250 lumens
- Quickly identify an empty battery with the indicator light

Continuous working

- Short charging time and long light duration due to state-of-the-art lithium-ion rechargeable battery technology
- Due to the compact design, it can be stored anywhere quickly and easily

Scope of delivery

- Hand-held lamp, USB-A/USB-C cable, 100-240 V 50/60 Hz power supply
