

High-performance gas unit DIGA® CS-3

High-performance gas device for concrete, steel and solid brick/masonry fixtures.

- Can be used independently of stationary and mobile compressed-air systems and is therefore universally applicable
- Extremely easy to use as the magazine can be replaced without tools
- Pleasant and effortless work thanks to the light, compact design with very low recoil

2 Years WÜRTH MASTERPLUS Warranty for wear damage and replacement of batteries and chargers

The current WÜRTH MASTERPLUS warranty conditions must be observed.

Excluded are damages caused by improper use, overloading or failure to observe the operating instructions.
