

Hi-Vis T-Shirt - "Pixie"

Two-tone short-sleeve T-shirt with segmented reflective bands. Fluorescent yellow or orange high-visibility fabric combined with navy blue, featuring a 150 g/m² fabric weight and a composition of 55% cotton / 45% polyester.

- 1 chest pocket located on the wearer's left side.
- Ribbed elastic round neck collar in contrasting colour.
- 2 segmented retroreflective horizontal bands surrounding the torso.
- Available in Yellow/Navy Blue and Orange/Navy Blue

Fields of application:

- Work in areas with reduced visibility, shaded or poorly lit environments.
- Maintenance and service work.
- Construction and related trades.
- Warehousing and logistics.
- Transport and parcel delivery.
- General industry.
- Any of the above situations requiring enhanced wearer visibility (High Visibility).
