

## T-SHIRT

### Description

The yarn quality has been increased, making it even more comfortable and giving it a bright and shiny appearance. Soft Touch treatment: the fabric of the T-shirts has undergone an enzyme treatment that gives it greater softness. The elimination of surface fibres, improves the feel and smoothness of the garment's surface. Completely free of substances harmful to humans and the environment. Reinforcement on the back of the neck with contrasting colored sweatband inside up to the shoulders. Ribbed crew neck and easy removable label.
